Welcome

Confederation of Chinese Metalforming Industry (CCMI) will hold an international forgemasters meeting in Chengdu, the capital city of Sichuan Province, China from 24th to 27th May 2010. Participants will enjoy information exchange of not only profession but also China's history, as well plant tour to China National Erzhong Group Co.

CCMI has organized big Chinese delegations to attend the 16th and 17th International Forgemasters Meeting, and enjoyed advanced technologies and administration during the trips. With the fast development of large forging manufacture, now, the Chinese forgemasters would like to invite and welcome foreign friends to China. **“Get to know China”** will be flowed throughout the whole meeting.

The meeting will be simultaneous with an on-site exposition on advanced equipment, technologies and products.

Call for papers

You are encouraged to share your experiences, case studies, latest search results, etc during CIFM 2010.
